This is to certify that LAPI S.p.A., Notified Body no. 0987, did undertake the relevant quality assessment procedures for the equipments of the manufacturer identified above, which was found to be in compliance with the Fire Protection requirements of Marine Equipment Directive (MED) 2014/90/UE, Regulation (EU) 2022/1667 of 08th August 2023 and with the type described in the EC Type Examination Certificates (Module B) listed above and reported in the Attachment to this Certificate, subject to any conditions as described in pertinent Module B.

This Certificate authorizes the manufacturer, or his authorized representative established within the Community, in conjunction with the EC type-examination (Module B) Certificate of the equipments listed in the scope, to affix the "Mark of Conformity" (Wheelmark), as shown below, and exemplified in the Attachment.

The manufacturer is allowed to affix the US Coast Guard approval number reported in the Attachment as allowed by the "Agreement between the European Community and the United State of America on Mutual Recognition of Certificates of Conformity for Marine Equipment" signed on 27 February 2004 and amended by Decision No.1/2018 dated 18 February 2019

Wheelmark

0987/yy (yy being the digits of the year when the wheelmark is affixed)

The manufacturer, or his authorised representative established within the Community, shall issue a Declaration of Conformity relevant to the product(s) listed in this Certificate. This Certificate loses its validity if the Manufacturer makes any changes or modification to the approved quality system, which have not been notified to, and agreed with the Notified Body named on this Certificate and/or after lapse of time, withdrawal or revocation of the EC type-examination (Module B) Certificate(s). This Certificate consists of 1 (one) page and 1 (one) Attachment.

This revision of the Certificate, first issued on 06/07/2021 and last revised on 08/05/2023, has been released in Prato, on 09/02/2024 and remains valid, unless cancelled or revoked until its expiry date of 05/07/2024.

Note: This Module D must be read in conjunction with the Attachment.
