Se fosse stato un sarto
si sarebbe chiesto
perché non far vedere
il proprio lavoro.
Perché tenere le cuciture
sempre invisibili,
rivoltate all'interno.
Il filo che si inabissava
e poi ricompariva
teneva insieme le cose
e faceva pensare ad aghi
sottilissimi,
pazienza e occhi attenti.
Dedicò più tempo a scrutare
nelle maniche delle giacche.

Had he been a tailor,
he would have wondered
why not show his work.
Why keep the seams
invisible at all times,
turned inside.

The sinking thread that
then showed up again kept
things together and made us
think of very thin needles,
patience and attentive eyes.
He dedicated more time
to scrutinise the sleeves
of the jackets.
