adriatica collection

Una manciata di spuma
ordisce soffice e lucente questa
collezione con forte identità
outdoor.

I venti libeccio, scirocco e
maestrale scolpiscono le trame
di “Adriatica”, un gioco di
pattern che celebra la natura.
Le nuance di colori ci riportano
in un istante in riva al mare,
dalle prime luci dell'alba al
tramonto, tra le dune di sabbia,
con tronchi di legno accarezzati
dal tempo, resilienti cespugli
di erbe spontanee che nulla
temono e qualche pietra lasciata
in contemplazione da chissà chi.

Nemmeno una goccia d'acqua
per la tintura di “Adriatica”.
Certificata OekoTest standard
100 con solidità alla luce 7/8,
ideale anche per gli ambienti
più esposti.

Facile da lavare e da asciugare.
Adriatica.

A handful of foam softly and
brightly turn into weaving
this collection sporting
strong outdoor identity.
Libeccio, Scirocco and
Mistral winds sculpt the
textures of “Adriatica” like
a pattern game celebrating
nature.

The color shades bring us
back in an instant to the
seashore, from dawn to
dusk, among sand dunes,
with driftwood caressed
by time, resilient bushes
of wild herbs that fear
nothing and few stones left
in contemplation by some
nomad.

Not even a drop of water
is used in the dyeing of
“Adriatica”.
OekoTex standard
100 certified with 7/8
lightfastness, perfect for use
even in the most exposed
spaces.

Easy to wash and dry.
Adriatica.
